Revision of Town Brief #55, Stalingrad

After a review of the most recent revision of the town brief for the Volga River port of Stalingrad by members of this Branch concerned with inland water transport in the USSR, it has been decided that the following minor additions be made and that the existing requirements in this brief be retained:

Mosaic/Chart
No. or Coord.

Mosaic 1:25,000

2-47,48 On page 6 under item "Shipyards", add in the "Required" column:
"Names and descriptions of vessels observed in or near the
shipyards."

12-6 On page 9 under item "Boat Building Yard," add in the "Required"
column: "Names and descriptions of vessels observed in or near
the yard."

Chart 1:100,000

5 On page 12 under item "Probable Site of Hydroelectric Power Plant
and Dam," add in the "Required" column: "Names and descriptions
of vessels observed on the Akhtuba-Volga Canal."

25X1A9a

Distribution:

Original and 1 - Addressee
1 - Ch/D/S
2 - Ch/S/TR
